As pet-owners, we understand that dogs are a part of the family, and leaving them behind when traveling can be a traumatic experience. At 101 Norfolk Resort we welcome well behaved, altered dogs to stay in our Chalets and the Family House subject to the following requirements.

- All pet stays must be approved in advance.
- A fee will be added to your account of \$8 per day for dogs up to 35 lb. and \$12 per day for dogs 35 lb. and over.
- You are required to provide a suitable kennel, food and water bowls.
- Dogs must not be left unattended on the property at any time. If by prior approval you leave your pet in your Chalet it must be kenneled.
- Dogs may not be left in vehicles or tethered on the grounds unattended.
- If barking or other pet behavior disturbs or interferes with other guests' enjoyable stay you will be asked to leave. No refunds will be given under this circumstance.
- I will be responsible for the repair or replacement of any items stained or damaged by my dog.
- A \$50 cleaning charge will be levied against your credit card if it is determined by us that the pets have been on the furniture, that there is excessive hair on the carpets or that Fido has relieved itself inside the Chalet, etc.
- You will be required to sign this notice acknowledging that you have read and agree to 101 Norfolk Resort Pet Policy upon arrival.

Some common sense advice:

Our 80 acres of woodland is home to a variety of wildlife that can have an impact on your pet in several ways. Deer, opossum and raccoon can lead your scent hound miles away. Of major concern in summer and fall is the tick and flea population. Be sure that your pet is properly protected against this threat.
